WELCOME TO MOTO FEST, IN PARTNERSHIP WITH E.ON DRIVE

MotoFest is excited to welcome you to the UK's largest automotive festival in the heart of the motoring city of Coventry. Immerse yourself in the automotive fun, music and culture, family activities and food village all while soaking up Coventry's history during Heritage Open Days.

WHAT'S ON

Our classic and modern car displays celebrate over 100 years of the motoring industry from the past, present and future with stunning classic Daimlers through to modern Jaguars.

Displaying in a new area, our much loved two wheeled machines will be back displaying a variety of classic to modern and race motorcycles up on Greyfriars Green.

WHAT'S ON... AT MOTOFEFEST

MotoFest is about bringing people together and celebrating the industry that moves. Alongside our static displays there is plenty going on, so we are confident everyone will find something they love.

Embrace the future by checking out Coventry University's autonomous vehicle with live

demonstrations. Or jump back to the past with a taxi ride to the Coventry Canal Basin in a classic Riley car.

We also have a bunch of activities for our younger audience from a drawing competition with E.ON Drive to a cycling expo, inflatables to fairground rides and even demos and VR with the West Midlands Fire Service.

As a Heritage Open Days event, there are lots of historic treats to uncover at MotoFest including access to the Coventry Cathedral Ruins and free entry to Coventry Transport Museum.

Land Rover Experience. But make sure you get to the Sprint Circuit early to catch the Motorcycle Ride In as they arrive and take a lap to open the event! Expected 10am on Saturday morning. Before you race off, make sure you visit the supercars in their paddock and on the Sprint Circuit.
